Dear Mr. Gatewood:

The 2nd Annual National Veterans Small Business Conference hosted by the Veteran Small Business Federal Interagency Council was a great success. I would like to personally thank Quality Support for participating as the EXPO planning team. Without your support the conference EXPO would not have been such a great success! I would also like to personally thank you for participating as a panelist on the "Positioning for Success" panel. Your knowledge and the appropriateness of your presentation contributed immeasurably to the success of the conference. We look forward to continued partnerships and future successful endeavors!

The over 1000 attendees representing veteran-owned and service-disabled veteran-owned small businesses, small business specialists, and procurement professionals from throughout the Federal government received valuable information on how we can achieve the goal of full participation of the veteran small business community, as contracting partners, in the Federal procurement process. I am certain that if we continue to work together, in this manner, we will attain the success that we all aspire towards.

Thank you again for your support of the veteran small business community and your commitment to expanding the industrial base of the United States through small business.

Sincerely,

Tracey L. Pinson
Director
