Dear Wayne:

We are writing to thank you and your organization Quality Support, Inc., for your generous financial support of the reception we held in conjunction with the 2004 Congressional Black Caucus Veterans Braintrust.

Your contribution of \$2,000.00 made it possible to host the African American Medal Recipient Reception and Awards Ceremony, and honor the sacrifices and service of these brave African American soldiers. It was most appreciated by our honorees and guests, and will not soon be forgotten.

Again, we extend our thanks and appreciation to you and your organization. Your continued support of this wonderful event is greatly appreciated by us, the Congressional Black Caucus, the Congressional Black Caucus Foundation, and especially the veterans and their family members who attended the reception. We look forward to a continued friendship with Quality Support, Incorporated.

With kindest regards, we are

Sincerely,
