Dear Mr. Gatewood,

Thank you for your participation as a SBA Expo '05 business session panelist. I have received nothing but positive feedback about this year's sessions. There is no measuring the amount of knowledge that was gained by the small business community from hearing experts discuss the real issues they face everyday.

SBA Expo '05 was an electrifying week of events celebrating "National Small Business Week." With great pleasure, the SBA honored more than 200 of America's most outstanding small business owners, resource partners and advocates. Once again, the Expo trade show was highly successful as more than 1500 attendees were given the opportunity to see what nearly 200 exhibitors had to offer the small business community. It truly was a fantastic week, highlighted by President George W. Bush speaking to an enthusiastic crowd of small business owners.

Thank you again for taking time out of your busy schedule to participate in the business sessions. Without a doubt, SBA Expo '05 was a successful event, which was, in part, because of your participation and the insight that you provided for the business session.

Sincerely,

Adela Soriano
