Dear Mr. Gatewood:

On behalf of the U.S. Small Business Administration, I would like to extend my gratitude and appreciation for your participation in this year's momentous SBA Expo '05. As you know, small businesses are the engines that drive our economy. Your participation helped demonstrate that to all entrepreneurs.

The business session panel "Certifications that Foster Business Growth" in which you participated was a huge success. It had the largest turnout and was enjoyed by all in attendance. I am certain that the information you presented will be beneficial to the attendees in their future business growth.

I hope you enjoyed the time spent with us during SBA's National Small Business Week celebration. Again, thank you for all of your support.

Best wishes for continued successes in your entrepreneurial endeavors.

Sincerely,

Allegra F. McCullough  
Associate Deputy Administrator  
Office of Government Contracting and  
Business Development
