While CVE has confirmed that Quality Support, Inc. is in compliance with the regulations, Quality Support, Inc. must inform CVE of any changes or other circumstances that would adversely affect its eligibility. Eligibility changes not reported to CVE within 60 days could result in a referral to Office of Inspector General (OIG), a referral to the Debarment and Suspension Committee and the initiation of cancellation proceedings all of which could result in Quality Support, Inc. being removed from the VIP Verification Program.

Please be advised that this letter and other information pertaining Quality Support, Inc.'s verification application may be subject to Freedom of Information Act (FOIA) requests. In addition, all companies approved for the program may be required to participate in a post verification audit. Please retain a copy of this letter to confirm Quality Support, Inc.'s continued program eligibility.

At any time if Quality Support, Inc. discovers one or more NAICS Code(s) that are other than small on its CVE VIP profile, CVE will require all other than small NAICS Codes to be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request the U.S. Small Business Administration (SBA) to conduct a formal size determination. In addition, CVE may initiate a referral to OIG, Debarment and Suspension Committee and or pursue cancellation
