Dear Mr. Gatewood,

On behalf of the National Defense Transportation Association's (NDTA) Washington, D.C. Chapter, we want to express our deep appreciation for your generous support to our annual scholarship auction. Our event was a huge success for a tremendous cause. As a result of your donation of \$500, we were able to raise \$12,000 this year. We will put that money to extremely good use by giving away academic scholarships to deserving local students.

This year's theme, "*Education & Transportation: Moving America's Future*," underscored the timeliness and the magnitude of our endeavor, and you can be very proud of your significant contribution. Your active involvement speaks volumes about your caliber as an individual and about Quality Support, Inc. as an organization! Your thoughtfulness helps to develop our most precious national resource – the intellectual capital of our young people. This is by far the greatest investment that we can make in America's future.

For more information on the NDTA, or on our local Washington, D.C. chapter or its activities, please feel free to contact us at (703) 692-5935 or (703) 619-5255, or visit the chapter website at [www.ndtadc.org](http://www.ndtadc.org).

All the best, and thank you again!

Sincerely,

**John and Lisa Fasching**
